

CREATIVITY: Fluency- Lesson 2 Graphic Organizer

Traditionally, men and women have dressed differently.

Formulate possible hypotheses for this distinction.

	
	1300's- 1500's
	1500's- 1700's
	1700's-1900's
	1900's- 2000's

Study styles across several time periods. What consequences have women experienced when they tried to close the gap in clothing between men and women?

List a minimum of three (3) consequences women have faced while trying to 'close the gap' in clothing.

- 1)
- 2)
- 3)
- 4)
- 5)

What implications are there for a society in which fashion for men and women is the same (e.g. The People's Republic of China)?
